

January 2016

To whom it may concern,

Smartglass International, a world leader in the manufacture and supply of switchable glass products, is proud to be associated with Saudi American Glass as our sole representatives in the Gulf region.

SAG and its sister companies, Emirates Glass and Lumiglass, are the only companies authorized to supply our products in the region.

A handwritten signature in black ink, appearing to read 'Michael Kelleher', written over a horizontal line.

Michael Kelleher, Director
